Clean and shine your floors at the same time.

“Time restraints only allow us to burnish floors once or twice a year. We were excited to test the new Clean & Shine Pad, and immediately saw tough scuffs disappear and a polished shine within days.”

*— Nick Schmidt, ICE, manager,
building custodial & support services
for Western Michigan University*

Scotch-Brite™ Clean & Shine Pad

The Scotch-Brite™ Clean & Shine Pad shines the floor as you clean with it. With repeated use, your floors gradually achieve burnish-quality results without the extra step of actually burnishing. Using a low-speed auto scrubber with just plain water or neutral cleaner, it effectively removes scuff marks faster than traditional floor pads and lasts significantly longer. So you can maintain a shining reflection with less time, effort and equipment.

Simplify your floor maintenance.

Use the two-sided Scotch-Brite™ Clean & Shine Pad for daily cleaning and dustless polishing.

Less time to clean — removes black marks 3 times faster than traditional cleaning pads.

Reduce burnishing — shine increases with each use to reduce or even eliminate the need for burnishing.

Less equipment — clean and shine in the same step using only a low-speed scrubber.

Fewer chemicals — effective with just water.

Replace less often — lasts longer than traditional cleaning pads.

Versatile — can be used on most coated and uncoated floors including VCT, vinyl, stone, terrazzo, concrete, marble, granite and rubber.

To order, please contact your 3M Sales Representative or call 1-800-328-3908.

2-in-1 daily cleaning pad outshines traditional floor pads.

Effective on floors with either a high or low starting shine. With each use, the shine is gradually enhanced to give your floors a gleaming reflection with less time, effort and equipment than traditional cleaning pads.

And that reflects positively on you.

Shine increases with each use.
