

# A fresh solution for every space

Each dispenser utilizes dry fragrances, so there are no messy liquids or sprays. They all contain a high-powered fan for consistent 30-day coverage, and a digital display reminds you when to change the refill.

## ourfresh

The modern solution to metered aerosol

- 100 - 250 sq. ft.
- Light activated
- 1 C battery included with each refill
- Setting is pre-set
- Mount anywhere

## ourfresh<sup>e</sup>

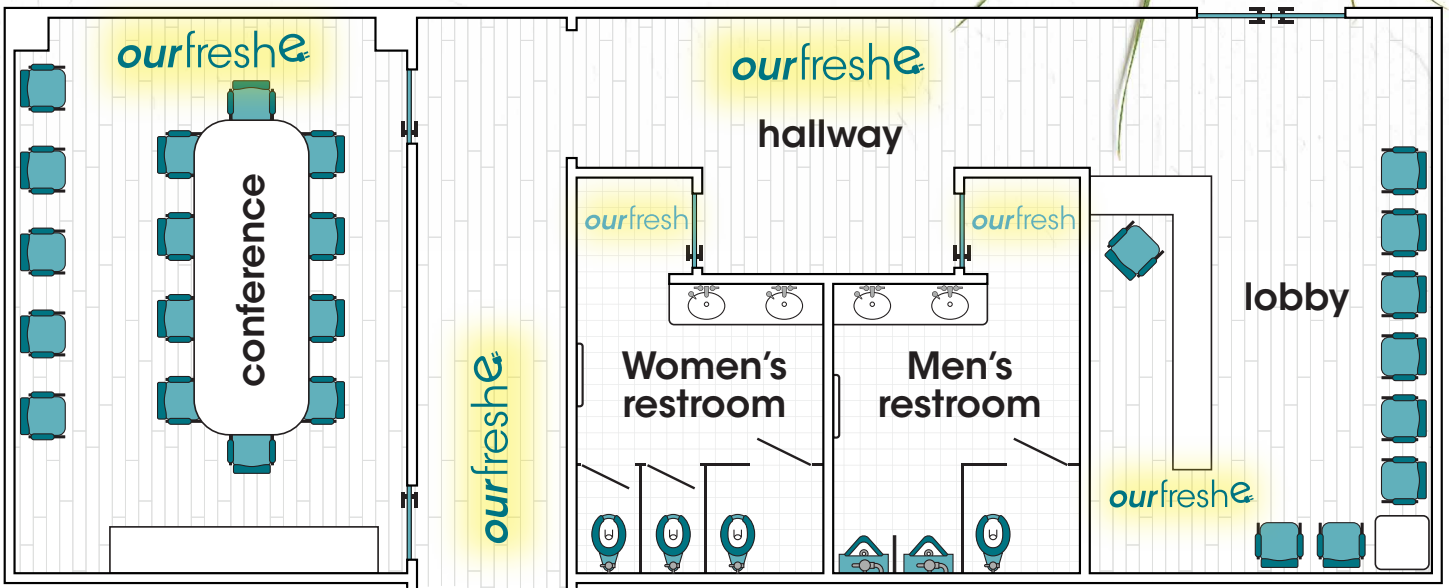

For medium spaces, such as lobbies and conference rooms

- 250 - 500 sq. ft.
- Light activated
- No battery, plugs into standard outlet
- Hi/Med/Lo setting
- Quick and easy installation

## Not Every Space is Created Equal

Different spaces have different needs. The *ourfresh* and *ourfreshe* provide the right solutions whether you need the convenience of a plug-in, the versatility of a battery-powered unit, a subtle fragrance, or the ability to combat odors.

## We also have the perfect fragrance for every space
